

“Top Travel-Worthy Events Worldwide”

- National Geographic Traveler

International Investment Partners

These are agencies that the International Festival of Arts & Ideas has been dealing with over the past decade in support of bringing artists from 36 countries to Connecticut for performances at the Festival. This list represents a sampling of international agencies that invest in cultural export and exchange with an interest in advancement of trade and tourism.

Approximately \$1M in investments in the Festival from these sample agencies have come in the form of direct support, investment in marketing, promotion of tourism, per diems and direct payment for hospitality and housing.
